

*Happy
Holidays!*

Get ready for an adventure because your Ninja gift is on its way! However, it's going to be fashionably late, arriving a bit after Christmas.

We sincerely apologize for this delay and understand it's not ideal. But here's the silver lining – as soon as it does show up, we're confident you'll have an absolute blast with it!

Your Ninja gift is en route, and we're eagerly awaiting the moment you get to experience its awesomeness. Wishing you a belated but super epic Christmas filled with ninja-level fun!
